

CHANGES

We are pleased to announce changes at Maná Digital. We have now undergone the process of opening our own 501c3 tax-exempt organization in the State of Ohio. As of June, we are recognized as a corporation and have opened our own bank account.

Andrew Yoder, with Greenline Management LLC, is serving as our representative in the US, and will also complete the paperwork for our tax-exempt status. Greenline will also print reports, keep financial records, and help with fundraising. We feel blessed to see the doors the Lord has opened for Maná Digital, and we wonder where He will lead us in the future.

The world is big and the possibilities are many.

BEGINNINGS

UMA #9

We continue to translate the Spanish version of the Reaching Out magazines. Former publications can be downloaded at anabaptistresources.org.

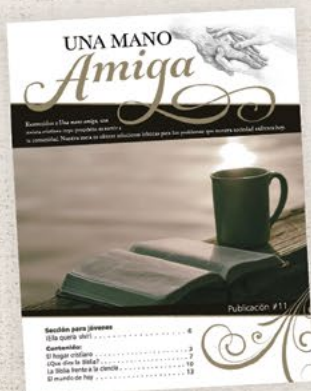

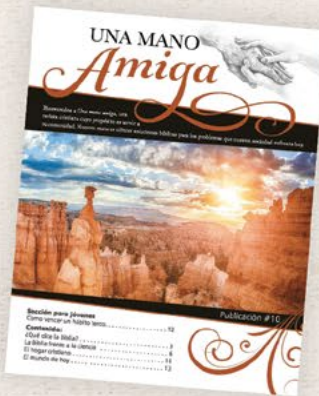

UMA #12

This is publication #12. We pray that these digital copies can be printed in different Latin American countries and God's truth can be extended through them.

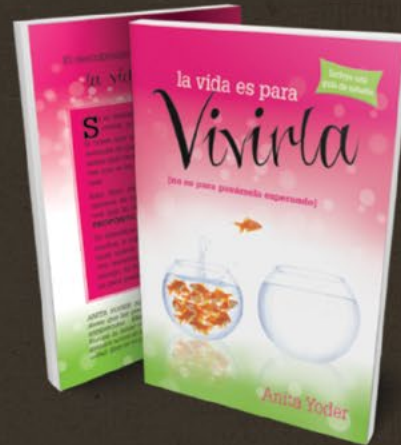

UMA #10

Publication #10 is also ready. When downloading, the person can decide if he wants the print-ready PDF version (larger file), or the interactive PDF. The interactive has links that take a person from one point in the PDF to another, with a click.

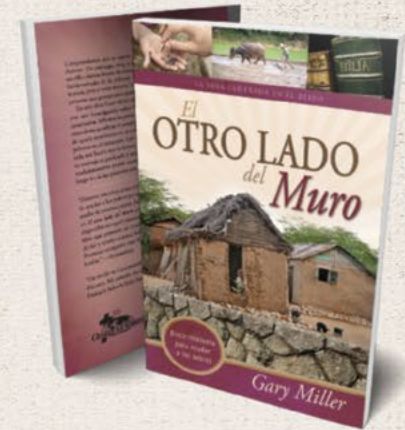

UMA #11

This is publication #11. We pray that these digital copies can be printed in different Latin American countries and God's truth can be extended through them.

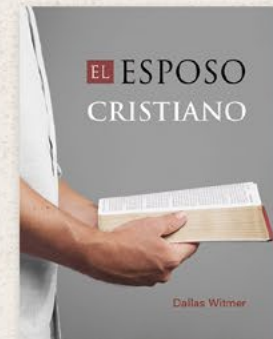

Life is for Living, Not for Waiting Around

Another new project is now available for download. Are you missing out on life if you're not married? If you think abundant life will come only after you're married, this book is for you. Or if you know God is generous but you can't see His gifts to you, this book will open your eyes. Written by Anita Yoder, this book is an inspiration for singles, and a call to really live, not just wait around.

The Other Side of the Wall

We are happy to announce a new project that is now available for download on anabaptistresources.org. This book, written by Gary Miller and published by TGS, will be a valuable resource for deacons and financial advisors in Latin America. We expect TGS will print a hard copy of the book that will be available on bookshelves before long.

The Christian Husband

This booklet by Dallas Witmer is available for download at anabaptistresources.org. Truth about how to be a Christian husband in an easy to understand format.
